Notes:

- The most up-to-date parish calendar is available online at www.stcatherineparish.com.
- **Before submitting a request**, please check the calendar to verify that there are no conflicts with your request. Also, please keep in mind that the rooms are in high demand so if a smaller room will accommodate your group please don't reserve one of the larger ones.
- Please use a **separate form** for **each event** unless it is a re-occurring event.
- Once the event appears on the parish calendar, it has been confirmed. If you would like the event to appear on the school calendar you must obtain approval from Mrs. Kilroy.

Please return this completed form to the parish office.
